## Donelly's Online

### Regular monthly auctions for Estate and Collectors Auctions

Every auction is unique and always with a great mixture of items for every buyer.

Donelly's have an extensive buyer email service and this along with traditional advertising, social media and Chanel 7, Donelly's are Perth's leading specialist online auctioneering service with proven sales results.

We are a proud family owned and operated business, providing good old-fashioned service with modern auction techniques.

Our online auctions reach all scopes of the country ensuring we maximise prices of all items accepted to auction.

# www.donellyauctions.com.au

Our online auctions combined with the exciting and constantly changing showroom for in-house viewings prior to items being sold gives the maximum exposure for buyer's to experience the entire auction process.

Sellers can view proven results from our online auctions, follow your own items being sold from the comfort of your own home.

Our expertise and knowledge is shared throughout our staff with friendly, informative and professionalism our main focus.
